

Application for admission as affiliated organisation (full members)

An Affiliated Organisation will be admitted as such by the General Board of EUROCAM by a three quarters majority of the votes cast in a meeting where at least two thirds of the Affiliated Organisations are represented.

Affiliated Organisations of EUROCAM are international and/or European umbrella organisations that possess legal personality according to the law applicable to them.

These organisations can consist of:

- Patients with an interest in promoting CAM and or IM.
- Medical doctors with an additional qualification in one or more CAM/IM modalities.
- Practitioners with specific professional accreditation in one or more CAM/IM modalities.
- Veterinarians with an additional qualification in one or more CAM/IM modalities.
- Other authorised healthcare professionals (state registered) with an additional qualification in one or more CAM/IM modalities.

Only legal entities that have most of their activities in Europe and their registered office and administration in any European country acceptable to the Foundation may be admitted as Affiliated Organisation. Affiliated Organisations have the right to vote, in particular on the decision-making process on organisational and legal matters concerning the Foundation.

EUROCAM has a legal status as a foundation, registered at the Netherlands Chamber of Commerce. Statutes and by-laws are on this page:
