

FEE SYSTEM FOR AFFILIATED ORGANISATIONS

Rationale

EUROCAM's fee system is based on the annual budget of the affiliated organisations rather than the number of their members to avoid associations not being able to pay their fees if the number of members is high and the budget relatively low. The general board decided on 15-12-2023

1. To raise the fee of 2023 by 10%
2. To raise the fee for 2024 again by 5%
3. And finally, to raise the fee every year with an indexation based on the inflation of the Eurozone as issued by EUROSTAT.
4. To authorize the ExCo to decide on requests from members who wish to be exempted from an increase and are delivering 'in kind' contributions. The ExCo will develop basic criteria to decide on 'in kind contributions'

Categories

There are 4 categories with according fee levels, i.e., basic fee, 2x basic fee, 3x basic fee, 4x basic fee. In 2024 the basic fee was set to € 762,50
